Abstract Vendor Presentation
29 April 2015, 09.00-09.30

bpc Banking Technologies

We will Transform Your Payments Business

Speaker

Stephen Peters

Title

SmartVista, migration status and experiences

Abstract

- BPC will overview the status of its Base24 migrations globally
- BPC will talk about clients migrating to NonStop from Unix platforms
- Our presentation will review, by example, migration decisions made by clients when they moved to SmartVista
