**Abstract Workshop I**
**14 May 2018, 14.00 h**

## Hewlett Packard Enterprise

### Speaker

Frans Jongma

### Title

NonStop SQL/MX Database Services (DBS)

### Abstract

The topics that are addressed in this workshop are:

- SQL/MX DBS Concepts & implementation
- Installation, how to configure your system for DBS?
- When and where would you use DBS?
- How does Database Compatibility fit in?
- Small demos will be used to explain the working of DBS.

Questions are welcome!
