

## Title

### Reaching New Horizons with NonStop: TCM InSight and SimSwap Fraud Protection – Brand New Services on NonStop

#### Abstract

TCM is delighted to announce the release of two brand new services on NonStop. TCM InSight is quick, snapshot assessment aimed at providing a clear and accurate understanding of your NonStop systems and setup. TCM SimSwap Fraud Protection is an exciting new service built by TCM on a Virtualized NonStop platform, using the latest development architecture and tools, providing customers with a timely defence against the growing issue of SIMSwap fraud
